APPLE WATCH SERIES 10 \$399 AND UP

apple.com/apple-watch-series-10/

The latest and thinnest Apple Watch with improved health monitoring, fitness features, and an energy-efficient display. With Apple's first wide-angle OLED Display, the screen is brighter when viewed from an angle, making it easier to read with a quick glance. Series 10 has the largest screen area of any Apple Watch. It has up to 75% more screen area than Series 3, up to 30% more screen area than Series 4, 5, 6, and SE, and up to 9% more screen area than Series 7, 8, and 9. So you can see and do even more. From sleep tracking to heart health notifications and much more, the advanced sensors in Series 10 help you better understand your health.

APPLE AIRPODS PRO 2 | \$249

apple.com/airpods-pro/

Groundbreaking sound. Up to two times more Active Noise Cancellation. Adaptive Audio that tailors noise control to your environment. Personalized Spatial Audio that immerses you in sound. And a new all-in-one experience to test, aid and help protect your hearing.

Millions of people are unaware that they're living with hearing loss, and even more don't get tested. But now it's faster, easier, and more convenient than ever to get scientifically validated results on your own time.

Pro-level Active Noise Cancellation and the in-car seal on your AirPods Pro 2 simulate the conditions needed to evaluate and provide insights into your hearing. Find a quiet place, launch the test from your AirPods settings or the Health app, and the system will automatically check the fit of your AirPods Pro 2 and assess background noise levels.

OURA RING GEN 4 \$349

ouraring.com/product/rings

Sleek wearable ring for sleep tracking and readiness.

Comfortably wear the lightweight titanium Oura Ring all day and night to collect deeply personal health metrics and insights. Your

finger provides the most accurate reading of over 20 biometrics that directly impact how you feel.

ANKER PRIME 27,650MAH POWER BANK (250W)

\$179

anker.com/products/a1340-250w-power-bank

Fast-charging for on-the-go gadgets. This power bank is about the size of a soda can with a capacity of 27,650mAh and can charge a 13-inch MacBook Air (M2) 1.28 times or an iPhone 14 almost 5 times. This power bank is 99.54Wh, which meets the requirements of the TSA (<100Wh) to be taken on airplanes as carry-on baggage.

This year's 2024 holiday tech gift guide involves a list of exciting and innovative tech products. I have personally used each of these and can answer any questions!
